 4. Planning

To consider and respond to the planning application PO/25/0492

Concern was expressed by members of the public and Cllrs regarding the extent of the proposed planning application.

Concerns included, lack of infrastructure, services being overwhelmed, lack of school placements, lack of local employment opportunities, contractors not complying with the original application eg. Increase to the number of dwellings and decrease in number of affordable housing, Light pollution from the proposed sports ground and impact on local amenities, sheer weight of traffic on smaller roads getting into and out of Cromer, no ring fencing of money given to Education or Health for the infrastructure, no adherence to current council policies, traffic survey should be carried out in height of season not during winter,

A response to the planning application was agreed it would be delivered to North Norfolk District Council offices by hand on 10 April 2025.

5. To note the date of the next meeting: Tuesday 6 May 2025 at 7pm, Northrepps Village Hall.
